<b>Lock Type</b>						Non Rated	Non Rated	Non Rated
	Budget	Euro Profile	3 - Way	IP 65	Touch Catch			
						Fire Rating	Airtight	Acoustic

## Description

A picture frame surround is provided, which enables the panel to be inserted directly into a pre-cut hole, and is screw fixed into position through the side of the panel frame.

## Construction

Constructed from 1.2mm and 1mm thick Zintec Steel, with a polyester powder coating of matt white Ral 9010, 20% Gloss (other colours available upon request). The panels are also available in Stainless Steel for use in corrosive areas (quote using product code and ref SS). The removable door trays are fitted with a sliding pin hinge and standard budget lock.

## Dimensions

Standard stock sizes are available as shown below. Non-standard sizes can be manufactured to order within maximum and minimum dimensional constraints. For further information please contact our Technical Sales Department. Sizes shown are overall dimension to inside edge of frame: 300 x 300mm, 450 x 450mm, 600 x 600mm, 900 x 600mm (hinged on long side) 1200 x 600mm (hinged on long side)

## Fitting

The access panel will require independent bracing and support, which is sufficient to secure and also allow safe opening of the access panel within the ceiling system. For panels greater than 600 x 600mm it is advisable to request the fitting of safety chains.
